- I . The Matagorda County Fair & Livestock Association reserves the final absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the show, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the rules of this show will forfeit all privileges and premiums as the Association Committee may order.
- II . **Liability**--Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him and for its description as given in the entry blanks, and shall indemnify the Matagorda County Fair and Livestock Association against all legal or other proceedings in regard thereto, as well as damage or injury to other persons or property, caused by the exhibitor, or any of the exhibits exhibited by him, or arising out of, or in any way connected with such exhibition or any of the exhibits so exhibited.

- V. Preliminary Classification – The exhibitor must select a preliminary classification of American, British, Crossbred, Exotic or Longhorn division in which they are competing at the time of registration.
- VI . **UNRULY HEIFERS-**
- a . The Heifer Committee shall interpret and enforce all rules and regulations of the Livestock Division of MCFA. The MCFA Board of Directors shall appoint Heifer Marshals who shall govern the control of “Unruly Heifers” shown during the MCFA Halter Heifer Show. These officials have the right to “Disqualify or Remove” any animal deemed harmful, to prevent injury to other exhibitors. Anyone attempting to interfere with these Officials before or during the decision-making process automatically disqualifies the entry in contention. Our only purpose is to prevent injury to all competitors entered in the Livestock Show.
- b . Once the heifer is in the Show Ring, only the Exhibitor can handle the animal. Only one warning will be given in the Show Ring. On the second warning, the Exhibitor will be asked to tie their animal to the fence. The animal will be placed at the bottom of that class in the order they were removed. The Exhibitor must stay with their animal until the judging is finished.
- c . Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness will be disqualified.
