

2026 Matagorda County Fair & Livestock Build Off

1. Teams should supply any equipment that would be needed to complete the wood project build. Including but not limited to levels, clamps, worktables, sawhorses, and any other equipment you feel is necessary. Grinders MUST have guards and handles
2. Teams are limited to four per team. A drawing of the project will be given to each team at check-in.
 - a. Check-In from 7:30am – 7:45am
 - b. Safety Meeting at 7:45am
 - c. Build time 8:00am – Noon. Awards at 1:00pm
3. For all General Safety rules that will be adhered to please refer to SOP #6.01 – Safety Policies & Compliance
Please refer to: **SOP #6.01 – Safety Policies & Compliance**
4. Students must be dressed in proper PPE to be eligible to participate.
 - a. Minimum Requirements
Denim/Wool pants with no holes or frays.
Closed Toed LEATHER Shoes (No running shoes or similar. No Hey Dudes.)
Safety Glasses (Z87) **MUST BE WORN AT ALL TIMES**
Ear Plugs **NO EAR BUDS OR HEADPHONES WILL BE ALLOWED**
Any Infraction Will Result in Points Deductions or Disqualification of the Team
5. Each school must provide a fire extinguisher that has an up-to-date card that shows the last inspection. It must be situated at a reasonable distance from the work area.
6. Each Team will have a designated Safety Captain. This individual will ensure all safety procedures for work being done are observed by all participants. The Safety Captain must attend a special safety meeting before the event begins.
7. Each team will provide hydration for all team members at the rate of 1Qt (2 bottles) per hour. Electrolytes are OK if they are alternated with water. Not to exceed 30% electrolyte; This is for high heat and high temperature days.
8. Energy drinks will not be permitted at any point between the start and end times of the event. This includes lunch.
9. Each school must have a First Aid Kit readily available for their team in the event of an injury or emergency. ANSI Z308.1-2021 or higher is suggested.
10. Each team must have a broom, dustpan, and magnet to clean up the area after completion of the build. The use of magnets is required in non-paved areas.
11. Each school should provide some type of banner, flag, or signage displaying their school or program name.

12. All participants must attend the Safety Meeting prior to the event's start time.
13. Engines may only run during the designated contest work time with a mandatory 30-minute shut-down for lunch. Start and end times will be at the discretion of the event host.
14. Teacher/Instructor Access:
Teachers and instructors are allowed in the construction area only during these times:
 - a. The first 15 minutes at the start of the contest.
 - b. The first 15 minutes immediately following the lunch break. These periods are specifically for offering advice to teams regarding the planning process.
 - c. Restricted Access Outside Designated Times:
At all other times, teachers and instructors must remain outside the construction area.
 - d. If a teacher or instructor is present in the work area outside the permitted windows, points will be deducted from the team's score unless they are tending to an emergency.
 - e. Supervised Entry Exception:
Instructors may only enter the work area outside of the designated 15-minute windows if accompanied by host site staff.
 - f. Photography: Instructors are permitted to approach the work area closely enough to take photographs as needed but are not allowed to enter the work area itself for this purpose.

These guidelines are in place to ensure fairness, safety, and the integrity of the competition. If you have questions or require clarification on these operational rules, please contact contest officials.

15. Scoresheet Return Policy for Competitions
 - a. Purpose:
 - To ensure transparency and provide constructive feedback, all scoresheets from competitions will be returned to teams, including team members and their advisors
 - b. Policy:
 - At the conclusion of the competition, all judges' scoresheets will be compiled and distributed to each participating team.
 - Team members and their advisor(s) must receive their scoresheets to review performance and identify areas needing improvement.
 - The feedback provided through the scoresheets is intended to support teams' development and help them prepare for future competitions.
 - It is the responsibility of the competition organizers to facilitate the timely return of scoresheets.
 - Any requests for additional clarification or review of scores should be directed to the competition officials or designated contact person.
 - c. Compliance:
 - Adherence to this policy ensures fairness and promotes continuous improvement among participating teams.
16. If teachers or visitors are within 20' of the work area they MUST be in PROPER PPE (this includes school officials and administrators)

Teams will be judged on the following criteria:

1. Safety & Teamwork: 70 Points

- a. Teams should use all appropriate PPE including but not limited to Z87+ safety glasses, closed-toed leather shoes, hearing protection.
- b. All team members should participate equally in the construction of the project. Teammates can specialize in different aspects.

2. Job Safety Analysis: 50 Points

- a. Before starting any project, list your team members and the PPE needed. Clearly outline the steps of the job, note any hazards, and explain how those hazards will be controlled or eliminated. Make sure to get instructor approval and collect any required signatures.

3. Project Completion 25 Points

- a. If project is completed a full 25 points will be added.
- b. Partial Completions will be awarded 1-15 points

4. Craftsmanship: 40 Points

- a. Quality of craftsmanship will be judged based on factors including but not limited to completion of project, final fit and finish.

5. Showmanship: 15 Points

- a. Upon completion of the project each team will present their project to the judges. Teams will be evaluated based on their ability to explain choices made during the construction process, knowledge of the process, and ability to answer judges' questions

6. All teams will be required to clean their workspace prior to presenting their project to judges.

7. Judges' decisions will be final and shall be respected.

8. Enjoy this great experience and be a positive ambassador for your school and program
